Dear Michael

Thank you very much for your letter of 3rd December 2002 and for enclosing copies of *Learning African History – Freedom Fighters* series.

I am deeply grateful for your gift as the series written by Chris van Wyk deals with our heroes and heroines in a sensitive but clear way.

I am pleased that Ronald asked you to send a copy of your new book on Oliver Tambo. The reproduction of the photograph is one of the best in the series. Ronald is obviously a lucky man.

I have enjoyed reading through them and I think that children from grade three onwards would be extremely lucky if they had access to this series. I was not aware that this series has been completed by your publishing company. Has the series been officially launched?

Congratulations on a very exciting and relevant initiative.

With my best wishes

Yours sincerely

Professor Kader Asmal, MP
